- ❖ Both God and Satan need men to fulfill their purpose.
- ❖ Some people have been specially designed for your life.

Types of calling

- General/first/primary calling: Before you'll be called to do something in the house of God, you must first be called by someone. This call is a call to salvation, regeneration from death to life. Until you follow Jesus, He cannot make you.
 - ❖ Until you come to Jesus, He can't give you a responsibility. It is for those who know him and have come to the knowledge of His saving grace.
 - ❖ It is the ministry of reconciliation. Even as a leader, you always need to remember your first calling, that is knowing Jesus.
 - ❖ Increase your knowledge of Christ.
